EXPERIENCE

APRIL 2022 - OCTOBER 2022

Engie

Though also accepted by Ubisoft, I chose Engie thanks to its values and the experience I could acquire there.

As the only graphic designer within a dynamic team tasked to complete a massive website project, overseen by the CEO herself, extending until 2023, I use my talents in UI/UX, branding and motion to help enrich the project creatively.

MAY 2021 - TODAY

Freelance, Malt

I have completed over 30 freelance assignments, ranging from motion design to graphic design, and have accumulated a shiny 5 star rating from the many clients I have worked with.

JULY 2021 - SEPTEMBER 2021

Cajoo

Freelance motion designer, creating numerous videos and animations for their Instagram.

OCTOBER 2020 - MAY 2021

Synerg'hetic

I was chosen as project manager in the graphic design department of this junior company.
